DEAN'S CORNER

SEEKING MENTORS

Are you interested in being a Serenity High mentor? Our mentors meet with their mentee once a week during the school day to support students and follow along encouraging them through high school. If you are interested, please email our Dean of Students, Allie Long, at allalong@mckinneyisd.net. She will send you background check information and there is a one hour training through MISD that you will need to attend. Thank you in advance for wanting to positively impact a student's life!
