

**Register & Login:** To get the most out of your eBook, be sure log in under **Account** in the upper right corner. If you don't have an account, you can register now.

## Single- and Dual-Page View

**Switch to Single-Page View:** This icon is displayed when the eBook is in Dual-Page mode. Click it to switch to Single-Page mode.

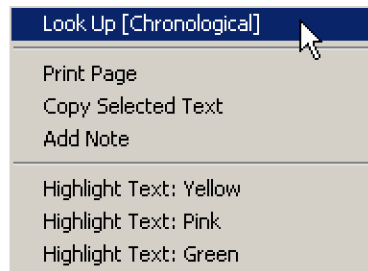

**Switch to Dual-Page View:** This icon is displayed when the eBook is in Single-Page mode. Click it to switch to Dual-Page mode.

**Find:** Searches the first instance of a word in the eBook, and highlights every instance of the word.

**Notes:** Allows you to view, add, and edit your notes for the eBook.

You can right-click in your eBook to look up a word, copy text, print, add a note or highlight text.

**Open Dictionary:** Opens a sidebar window to the left of the eBook for Merriam-Webster's Collegiate Dictionary. You can use it two ways:

1. Enter any word, even those not in the current eBook.
2. Use the alphabetical list to look up words in the current eBook.

## Zoom Levels

**Zoom Out:** Decreases the size of the page.

**Zoom In:** Increases the size of the page.

**Zoom to Custom Level:** Sets the zoom level to a predefined value, or one you enter.

**Read Aloud:** Starts the Reader's text-to-speech playback.

**Book Info:** Displays information about the eBook, including title and author.

## Navigating among pages

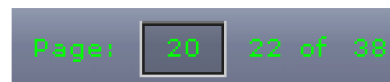

**Table of Contents:** Displays the eBook's table of contents in a sidebar window. If the button is grayed out, the publisher did not provide a table of contents for the eBook.

**Next Page:** Displays the next page (or two pages) in the eBook.

**Previous Page:** Displays the previous page (or two pages) in the eBook.

**Page Number:** Displays the number of the page currently open. Enter a different page number to open it directly.

**Bookmark:** Allows you to place a bookmark on any page of your book.

**Download:** Closes the eBook and downloads it to your computer.

**Close Book:** Closes the eBook and allows you to return it if checked out.
