## Membership

Membership fees are as follows:

- Individual member \$11
- Family (2 adults, 1 Student) \$25
- Student member \$5

This year we will have student members. These students will be able to help with various things in and around the school such as recycling, environmental, program selection and more! Use the QR code above to join!

PTA helps with so many things throughout the school year! Here are just a few that we have planned for the year ahead!

- Chalk the Walk
- Tears & Cheers Breakfast
- Class Parties
- Programs for parents, students, and the community
- Donuts with Dad
- Muffins with Mom
- Valentines Day Dance
- Spring Carnival

## **PTA**

PTA Memberships are available! Help make a difference in the lives of our students, teachers and staff. We are introducing a new Student Membership this year. Wolford students can now be members of our PTA.

This gives them a voice in our association and helps us know what programs they would like to see brought to school. Student members will also help us bring back the recycling program and maintain the outdoor classroom and butterfly garden just to name a few opportunities.

## **DADS CLUB**

Dads' Club memberships are back! These are free with a paid PTA membership. The Dads' Club is planning so many fun things in the year ahead.

## Community Outreach Program

Did you know...Malvern Elementary is our designated MISD sister school?

As part of our community outreach program this year, Wolford PTA will be supporting Malvern staff and students. We recently delivered teacher appreciation treats, will be conducting a "candy drive" to support their school's trunk or treat, and will provide pies to Malvern staff during our holiday pie drive. They have so many needs, and we are excited to be able to help their community whenever we are able. Please keep an eye out for donation requests from our community which will support our sister school!
